

Dear Peter,

Bob and I love our new Entertainment Center! I just had to thank you once again for your patience and expertise in making sure that we ended up with what we wanted.

Our thanks also to Jessie and Tim. They are professional and talented people.

Please know that we are available anytime if ever you need an endorsement. We are so fortunate that we found Maple Tree Furniture - a company that truly cares about the customer.

Hopefully, our paths will meet again. Come and see how beautiful the Entertainment Center looks in our home!

It's been a pleasure, Peter.

Thank you.

Sincerely,

Dana Murphy

P.S. Please pass along our thanks to all those "behind the scenes" workers that contributed to such a beautiful piece.
